SUBJECT:

25X1A I had indicated earlier that I thought it would be very helpful  
if [ ] could attend the Group Management Seminar this fall.  
25X1A Since that time [ ] has indicated that this will be achieved.  
I would like to include [ ] in this Seminar also, if possible, 25X1A  
in order to complete the indoctrination of S&D managers as rapidly as  
possible. Would you please let me know whether or not this can be  
accomplished?
